but what you can do for your country."*

INAUGURATION SPEECH, 1961

FOREWORD ...

In many ways, the events of 1963-64 suggest this year's Quinault theme, LIGHTS—in our country and in our school.

In early 1963, the lights of peace burned more brightly with the lessening of world tensions. As the year proceeded, revolutionary sparks were ignited in Africa and in the Far East.

To Americans, 1963 presented periods of light and darkness. The year began peaceably with only a few exceptions. There were racial conflicts, the usual stock market fluctuations, and history's longest congressional session. Cooper's extended orbitals around the Earth exhibited a bright light for U.S. progress in space. Toward the latter part of the year, Americans were plunged into a surprising period of darkness with the shocking assassination of President Kennedy. Vice-President Johnson was extremely well prepared to take up the administrative torch, and the nation came out of despair with the light of his leadership.

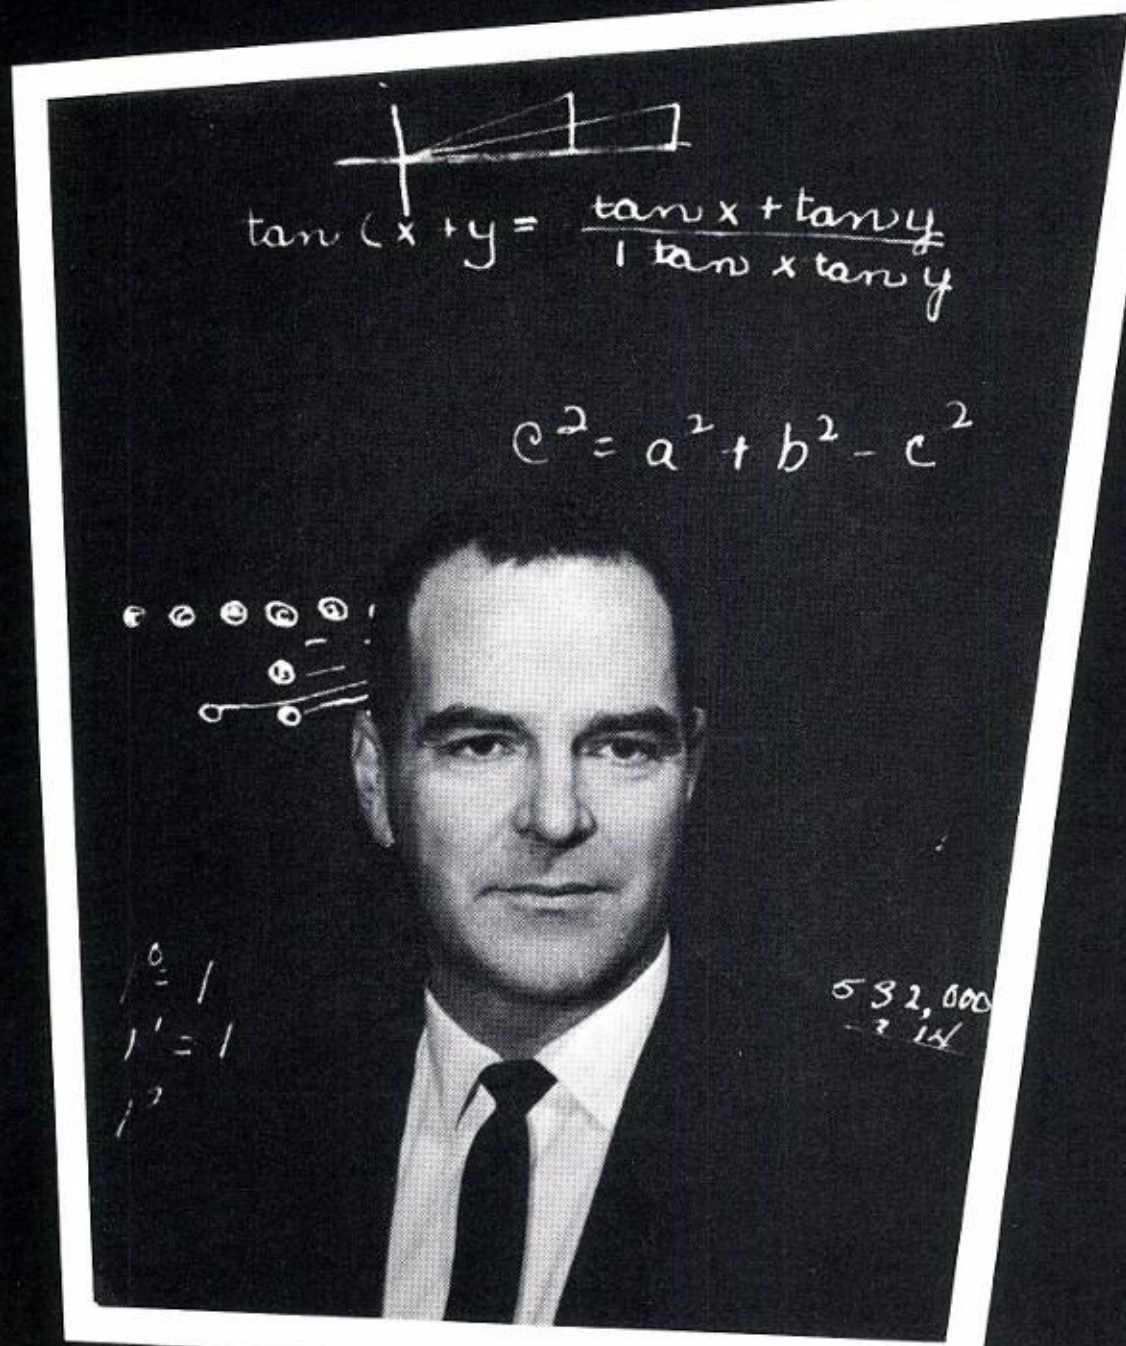

In our school, the theme LIGHTS was exhibited physically through the addition of the Phillips Building. Scholastically, our school shone brightly with many students receiving special honors. A strong light, team spirit, was the symbol of athletics at Weatherwax this year.

To include the special highlights of our school year, the Quinault has been expanded to one hundred fifty-six pages. One of the outstanding features of the 1964 Quinault is the color section. In this section are full-color photos of memorable events of the past school year.

The staff has worked very hard to make this Quinault more original in content and design. We present with pride and pleasure the Quinault of 1964.

DEDICATION ...

The Quinault Staff has chosen to dedicate the 1964 Quinault to Mr. Eklund.

John E. Eklund, better known as Al, received his B.A. in Education from Western Washington College of Education. He did graduate study at Western and at Purdue University under the National Science Foundation. During the years he spent in the service, Mr. Eklund also studied at Case Institute of Technology.

He began his teaching career in Aberdeen in 1951 at Miller Junior High, where he taught until he came to Weatherwax in 1954. Mr. Eklund was the chairman of the Mathematics

Department until last year when he became chief football mentor, succeeding Coach Mach. This year, Coach Eklund guided our Bobcats to second place in the Southwest Washington Conference and a victorious Turkey Day game.

Aside from his fine coaching abilities, Mr. Eklund is an exceptional teacher. His sense of humor combined with adaptability has made him a great asset to the teaching staff. He is greatly respected and admired by both faculty and students.

This Quinault is for you, Mr. Eklund.

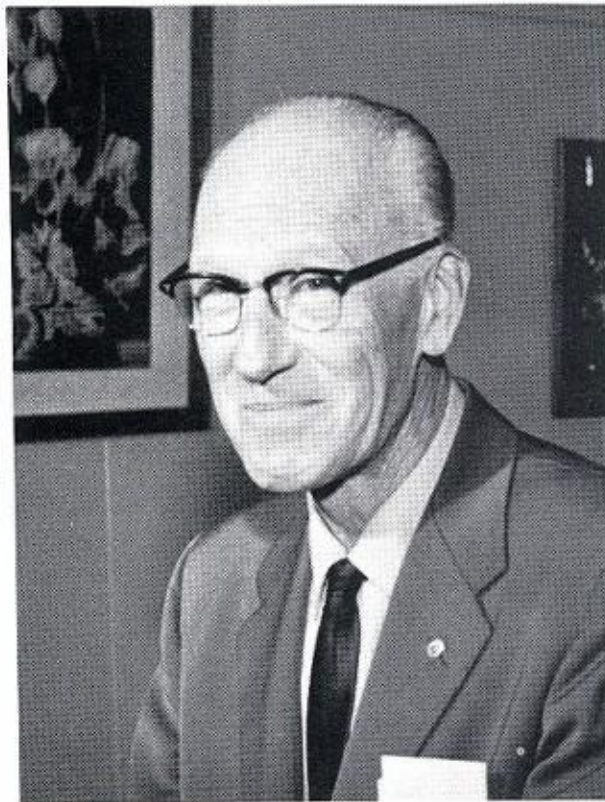

ADMINISTRATION

BEACON LIGHTS

Mr. Norman Newman, Vice-Principal

"If the American Dream fails to materialize in this century, it will be because the individual citizens is not morally responsible for his conduct nor economically responsible for his welfare."

Mr. Ben Curran, Principal

"Education is more than the mere acquisition of knowledge. The test of a true education is not so much in the acquiring but in the use of it."

SCHOOL BOARD

Weatherwax began its 1963-64 school year in a state of mass confusion. One entered the doors of Weatherwax to find that he had been displaced all the way up to the Fifth Street entrance of the Miller Building. Students located their classes in tumbling rooms, gymnasiums, and hallways.

When October arrived, all were exceedingly happy to move into the luxurious new Phillips Building. During this period, the walls and fixtures were freshly painted and communications were not good, but the students considered it a pleasure to attend classes in the lovely new surroundings. We hope that the new addition will continue to be a joy to Weatherwax students for many years to come.

PRESIDENT'S MESSAGE

The 1963-64 school year began in a rather hectic fashion. The Phillips Building was not completed on schedule, and classes had to be held in many unusual places. Conditions were crowded and frustrating, but Mr. Curran, the faculty, and the students overcame these obstacles and made the best of the situation in the true Weatherwax spirit. Things began to move smoothly when the new building was ready for use at the end of first quarter.

The Senate also operated under a handicap for the first few months until it had enough time and space to conduct its meetings properly. After moving into the new lecture hall, we could use as much time as we needed. It enabled students, other than Senators, to attend Senate meetings. The Senate met every other Wednesday and whenever necessary. The Senate consists of the class presidents and four girl and four boy senators from each class, plus the Board of Control which includes the student body officers, and the Council of Girls and Boys Federation presidents. The non-voting members of the Senate include the presidents of the Golden "A" Club, Girls' Athletic Association, and Pep Club, plus representatives from the Ocean Breeze, Quinault, and the Judicial Committee. The Board of Control met on the Mondays before Senate and drew up the tentative agenda for each meeting.

Mr. Newman served as advisor to the Senate and Board of Control. He helped us a great deal in conducting our duties. Much of the success of the Senate stems from Mr. Newman's dedicated efforts.

The Pep Staff deserves special recognition for their great success in organizing and uniting the school and stimulating perhaps the greatest amount of school spirit in our school's history. The Pep Club also helped our school spirit, especially with their many clever signs.

I have received a tremendous amount of support and aid from the student body and all of its affiliated organizations. I am proud to have attended this wonderful school, and I am honored to have served as your student body president.

FLOODLIGHTS SHINE ON OUR CLASS OF '64

At the climax of our three years at Weatherwax High, we seniors look back on high school with many fond memories. These years were filled with good times, hard work, victories and defeats. We will always remember the exciting games, the tests, dances, and assemblies that made up our high school experience. These are the years we will never forget.

We can look back on fine participation in every phase of school life. Many of us entered enthusiastically into the school activities. Some were fortunate enough to be associated with our fine musical department which participated in many performances at home and at contests. Others became a part of our athletic program and experienced many thrilling moments as members of the Aberdeen Bobcat roster. We have left our mark, also, in debate, drama, and, of course, in our outstanding scholastic record.

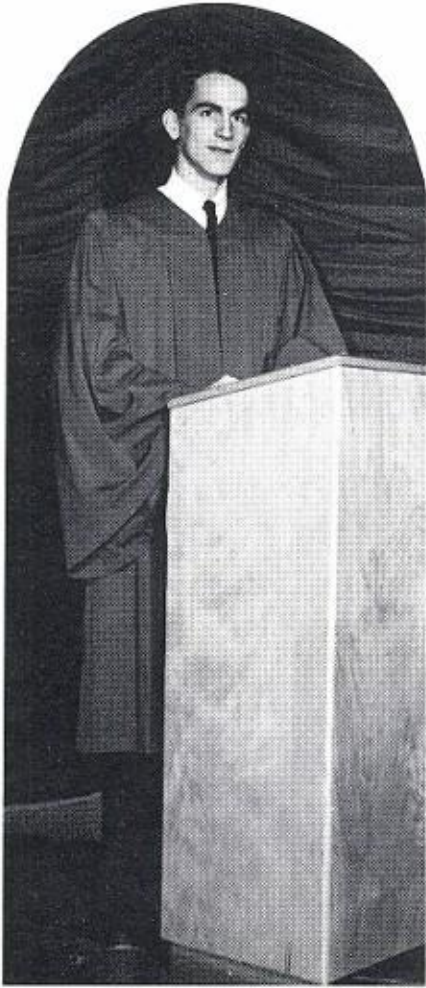

We entered the doors of Weatherwax in 1961, eagerly looking forward to high school. Our class officers for the Sophomore year were President, George Nelson; Vice-President, Steve Hatfield; and Secretary-Treasurer, Barbara Hall. We worked hard on the United Weatherwax Drive, happy to give of our time and effort to such a worthy cause. We also planned our Sophomore Hop, "Moonglow." It was enjoyed by all. We were saddened, too, that year by the loss of our classmate, Richard Lester.

As we returned for our second year, we looked forward to being juniors. We knew what to expect from high school life, but something challenging was always awaiting us. We were aided during the year by President, Steve Hatfield; Vice-President, Barbara Hall; and Secretary-Treasurer, Kathy Fuller. We enjoyed working on our first Junior-Senior Ball. The theme was "Oriental Mist." The dance was a great success.

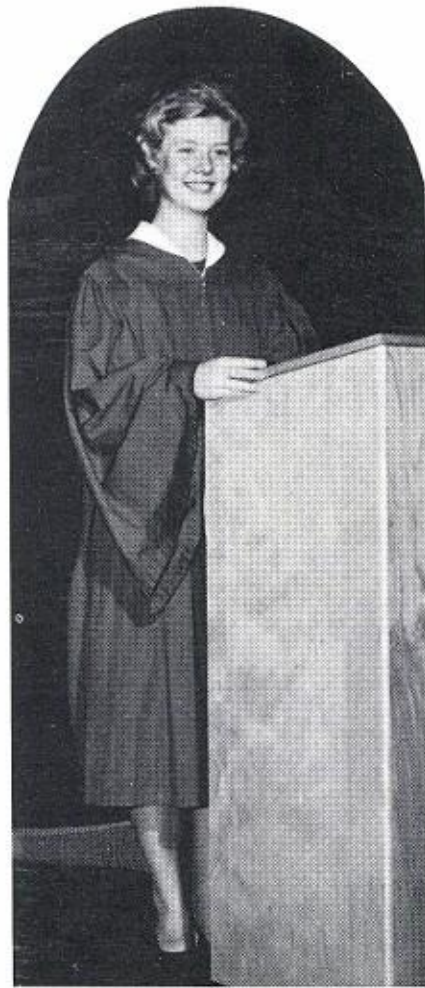

* One more summer passed, and we entered the halls of A.H.S. for the last time. Class officers for our final year were President, Mike McKean; Vice-President, Jon Bugher; and Secretary-Treasurer, Pat McAllister. Our Senior class is proud to have presented the Bobcat seal to Weatherwax High School. We feel this is a fitting memorial to our school spirit and motivation. The Weatherwax Drive was entered into for the final time. We worked hard to make it a success. Our Junior-Senior Ball, Class Night, and all the other extra-curricular activities were an important part of our last year.

We will miss all the finals, Pep Week, the school store, the teachers, the morning bulletins, honors study hall, the games and most of all the move to Phillips. We are looking toward the future with eager anticipation, but we also look back in memory, knowing that our high school years have shaped a part of ourselves for the future. We hope never to lose the light of learning which has guided us in these past few years.

Mrs. Minnie Fenenga
Junior Girls Counselor

The Junior class of the school year 1963-64, with 232 girls and 241 boys, a total of 473 students, has done much to promote school spirit and pep throughout the entire year with their outstanding qualities of leadership.

The class was led by President, Bill McCaw; Vice-President, Bob Henry, and Secretary-Treasurer, Lynn Copland. The girl senators were: Barbara Franciscovich, Kathy Haavisto, Ruth Jones, and Janet Long. The boy senators were: Bob Campbell, Frank Childers, Mike Krulich, and Frank Rupert.

Mr. Ingram Traxler,
Junior Boys' Counselor

Under the guidance of their teachers and counselors, the class has had a very rewarding year. Among the many activities in which the Junior class participated were the United Weatherwax Drive and the Junior-Senior Ball.

Because of the success this year of the Junior class of 1963-64, we, the Quinault Staff, appropriately named the Juniors the "Overhead Lights" to carry out our theme of lights.

Mrs. Leona Strong,
Sophomore Girls Counselor,

The Sophomore class, of the school year of 1963-64, was one of the largest ever to enter Weatherwax High School. There were four hundred and ninety Sophomores in all. They displayed plenty of pep and added greatly to the overall spirit of the student body.

Under the guidance of the teachers and the Sophomore class counselors, Mrs. Leona Strong and Mr. Robert Wassell, the Sophomores were introduced to high school life.

At the beginning of the year, class elections were held.

Mr. Robert Wassell,
Sophomore Boys Counselor

The officers for the Sophomore Class were: President, Ben Acker; Vice-President, Shirley DuBrau; and Secretary-Treasurer, Karen Stiles. The eight senators included: Marian Randich, Barbara Carlson, Kathy Osler, Patsy Hancock, Mike Hoonan, Randy Hancock, Jim Richardson, and Jim Messmer. These students represented their class in the student government.

The Sophomores are represented here by footlights because it is their fate to be underclassmen. However, it was made clear by them that they weren't the least bit unimportant.

BOYS

The elected president of the Boys' Federation, Mike Hutton, became an American Field Service foreign exchange student and departed for Europe last June, leaving the organization without a leader. A Vice-President was not selected at the time of the election last spring. Therefore, Bob DeWitt, the Secretary, took the student leader's position as Acting President along with the duties of his own office. Mel Wood, elected to the office of Treasurer, also

COUNCIL

Under the leadership of President, Jan McCrimmon; Vice-President, Pam Turk; Secretary, Cathy Gibbins; Treasurer, Bet Thie Lee, and their advisor, Miss Caulkins, the Council of Girls enjoyed a successful program this year. C.O.G. assemblies were held on the fourth Tuesday of every month. For these assemblies, programs of special interest to girls were arranged by the Program Committee with Pam Turk as chairman.

Art Committee, headed by Sue Ranum, took charge of the bulletin boards and decorations for C.O.G. assemblies.

Louise Lehtinen and Sharon Jaskar were co-chairmen of Friendly and Social Committee, which ushered new girls around Weatherwax and sponsored occasional teachers' teas.

Locker Committee's main job was assigning lockers to new students and transferring seniors to lockers in the new Phillip's Building. Sue Arrington was chairman of this committee.

The Newspaper Committee, with Jean Waddell as chairman, distributed the C.O.G. paper at the end of the assemblies, and was in charge of choosing a name for the C.O.G. paper.

Bet Thie Lee was in charge of the Popcorn Committee, which sold popcorn during all three lunch periods, with proceeds going to the C.O.G. treasury.

Publicity and Scrapbook Committee was headed by Phyllis Gabbert. This committee kept a scrapbook of all C.O.G. functions and reported activities of C.O.G. to the Ocean Breeze and the Aberdeen World.

JoAnne Rattie was in charge of Service Committee, which assisted various school and local projects, and special service jobs for the betterment of the community.

Creed

BE:

Courteous at any time, and
Orderly as well.
Unselfish in your every act and
Neat and natural.
Considerate of other folks, and
Individual
Ladylike and modest too,
But still original.
Optimistic in what you do.
Fair to self and others, too.

Gracious in each act and speech,
Impartial when word you judge,
Reliable when word you give,
Loyal, hold no grudge,
Sincere with friend and foe alike
Courageous to face sorrow.
You'll be a girl worth knowing.
A leader of tomorrow.

The "A" Club of Weatherwax High School is a large organization made up of all athletes lettering in the following sports: football, basketball, baseball, track, golf, wrestling, swimming and tennis. Officers for the 1963-64 school year were: President, Jeff Snell; Vice-President, John Easter; Secretary-Treasurer, Jim Due; and Sergeant-at-Arms, Bob Butler.

At the beginning of each school year, the "A" Club is responsible for the registering of all student cars and distribution of Bobcat stickers. During the entire year they are responsible for enforcing parking and traffic regulations about the school. Violators of these regulations are issued tickets.

Lettermen's Club also has set up the Hall Traffic Committee in and around the school. Various members of the club are as-

signed posts, which they must watch, and they also help to direct traffic flow. In this way, they have improved the speed at which a student can get to his classes, and they have also eliminated bottlenecks.

This year the "A" Club has a new responsibility. They are now guarding the Bobcat seal in the Phillip's Building, mainly to keep students from walking on it.

Each year "A" Club sponsors the "A" Club dance. The dance is held to earn funds to present the George Palo Memorial Trophy to a deserving basketball player.

Members of the club also must work on the Grounds Clean-Up Committee, and in the spring an initiation party is held at the Natatorium for new members.

The purpose of the Pep Club is to promote pep throughout the student body. This organization has an all-girl membership with members from each class. This year there were thirty Sophomores, and thirty-five each of Juniors and Seniors.

The officers for this year were: Pat McAllister, President; Barbara Bushnell, Vice-President; Kathy Morrison, Secretary; and Sherry Asikainen, Treasurer. Mrs. Kuns was the new faculty advisor this year. She proved to be very capable and a great asset to the club.

Foremost of all Pep Club activities is the sponsoring of Pep Week before the annual Thanksgiving Day game. The club is responsible for the decoration of the auditorium and covering the halls with colorful signs at this time.

During Pep Week, members sold Bobcat booster buttons. On these pins were pictures of the Bobcat Mosaic, found on the floor of the Phillip's lobby.

This year Pep Club members wore official sweaters. They were navy blue with "V" necklines. The girls wore them with navy skirts over a gold blouse or scarf.

The May Dance in the spring was also sponsored by the Pep Club. It was considered a great success by everyone who took part.

The club also sponsored a Grizzly Feed just before the basketball game with Hoquiam. They sold Grizzly-burgers during the lunch hour, much to the delight of our student body.

Leaderettes is a service organization which is composed of thirteen juniors and thirteen senior girls. This year the uniform was changed to a navy blue sheath, navy jacket, and gold scarf. A new emblem was worn by all members to signify their membership in the club. After one year of service, Leaderettes receive one stripe on their jacket sleeve; if they are also an officer, they wear two stripes. Senior members receive a Leaderette pin at the end of the year.

Officers for the year were Eva Thomas, President; Sheri Crowell, Vice President; and Gayle Niemi, Secretary. Mr. John Knapp was the advisor.

Leaderettes were much more active this year than in the past. A Thanksgiving potluck was held during Pep Week and a pep skit was done by them as a group. Besides ushering at games, concerts, plays, and C.O.G. assemblies, Leaderettes ushered at the Diamond Jubilee Pageant in August.

This familiar service organization is an important part of our school. The club is composed of about forty members, all girls. Mr. Bartine, our high school Comptroller, is the advisor.

The club meets on Wednesdays if there is a game to be held on the following Friday.

Approximately twenty girls work at one game selling and taking our tickets. They are identified by their yellow and blue buttons with the name of the organization on them and also by their bright sweaters in our school colors which every member is required to purchase. Usually the girls work just during one-half of the game. If a girl works at a game one week, then she is admitted to the next game free of charge. Activity points may also be earned by working at the games.

The officers for '63 and '64 were: Pat Swann, President; Kathleen Vessey, Vice-President; and Glenda Thompson, Secretary.

Math Club

The purpose of the Math Club is for those who are interested in advanced mathematics to delve more deeply into the subject. The Math Club is open to all who take mathematics courses in school, beyond Geometry.

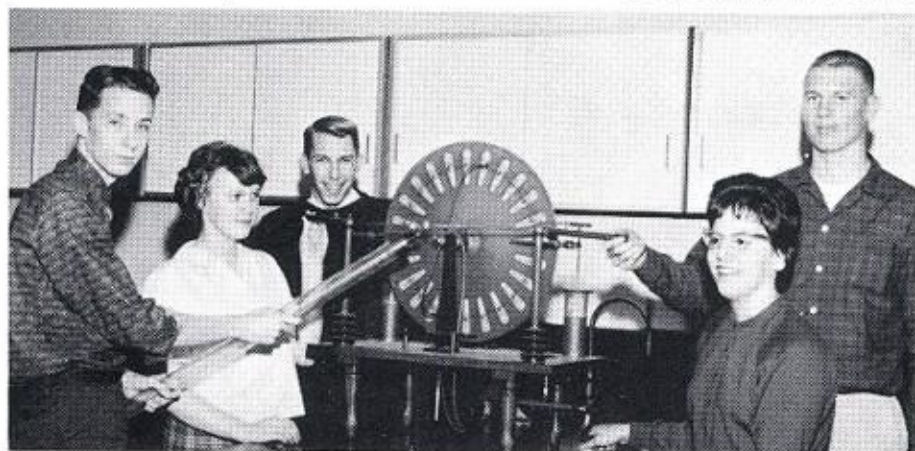

Math Club planned an active schedule for the past year. Officers were Alec Matheson, President; Ed Estes, Vice-President; and Kathy Airhart, Secretary-Treasurer. The club advisor was Mr. James Leggett.

The Math Club met the first and third Monday evenings of each month. During these meetings, the group held contests to find solutions to problems in mathematics. Some evenings were spent in preparing for the National Mathematics Contest, held in the early spring of each year. Many of the members of Math Club are avid participants in this yearly event.

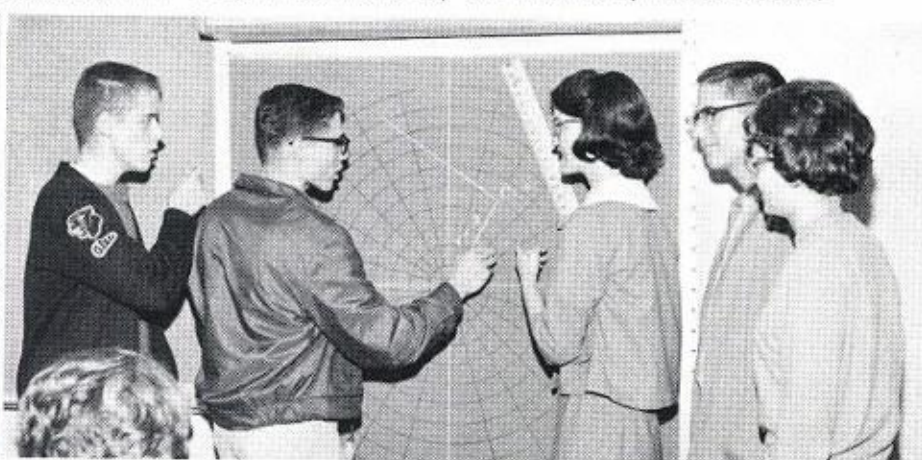

The club sponsors one special field trip outing during each year. This year the group made plans for a trip to the University of Washington Mathematics Department.

Science Club

The Science Club of Weatherwax is composed of students who share a common interest in the field of science. The officers elected for the 1963-1964 school year at the first meeting were: President, Jim Korpi; Vice-President, Ed Estes; and Secretary, Sue Bumgardner. Mr. Sieler was the club's advisor.

The club held its meetings to coincide with movies of scientific interest. Other meetings were called throughout the year for experiments which were performed by the members of the club, and for the purpose of having guest speakers.

A planned activity included a field trip to Weyerhaeuser Co. Delegations of Science Club members went to the Aberdeen grade schools to give demonstrations and experiments.

The Latin Club is one of the largest organizations in school. Mrs. Wacker and Mr. Southon are the advisors. The club has had an active program of events for this year. At its monthly meetings, besides having speakers, the entertainment committee has presented skits and short programs. In the fall plans were made to either go to Portland to see the movie *Cleopatra* or to hold a Latin Club banquet in the spring.

This year's officers were: Consuls, Mike McKean and Tim Taft; Quaestor, Joann Pulver; Scribe, Jean Waddell; and Nuntior, Phil Furth.

The French Club gives French students an opportunity to learn more about France, the French people and their customs.

It has had an active year with Greg Taylor, President; John Green, Vice-President; Ann Reynolds, Secretary-Treasurer, and Mrs. Leggett, Advisor.

Monthly meetings were highlighted by speakers or the showing of films. A Christmas party was held in the French custom. The annual French banquet in the Spring topped the year's activities.

This year Spanish Club consisted of about one hundred Spanish student members. Miss Phillips and Miss Strong were the advisors. The officers were: President, Bob Henry; Vice-President, Jonnel Anderson; and Secretary-Treasurer, Lorraine Thayer.

During the year Spanish Club met once a month and enjoyed various programs. At Christmas the members enjoyed a Spanish fiesta with pinatas and Spanish songs. A banquet with Spanish food ended the year.

Future Teachers of America is a group of high school students wishing to make teaching their life work. The member comes into close contact with teachers and teaching methods in F.T.A. If a teacher needs help, he calls on a student who has expressed a desire to enter that specific field. The object of Future Teachers is to relieve teachers of time-consuming tasks while training the student.

The annual Teacher's Institute was held at Weatherwax in October. Some Future Teachers assisted by handing out brochures, helping lost teachers, and giving other aid.

Senior members of F.T.A. are able to observe classes in various fields. There they acquire first hand knowledge of classroom activities.

Presiding at the twice monthly meetings was Sharon Jaskar. Other officers were Lynn Miller, Vice-President; and Biddee Pearsall, Secretary-Treasurer. Advisors were Mr. Gerald Larer and Mr. Darrel Lokken.

The Weatherwax chapter of Future Nurses of America began its year with a "get-acquainted" party in October for new members. Senior members presented a skit and refreshments were served.

The club presented a Thanksgiving basket to a needy family in November and gave Christmas corsages to ladies in nursing homes. A joint Christmas party with TAV's was a highlight of the holiday season.

The girls often heard interesting speakers and saw films regarding medical professions and nursing at their monthly evening meetings. For the first time, the organization observed Future Nurses Day in the spring.

Officers for the year were President, Pam Raich; Vice-President, Connie Wilson; Secretary-Treasurer, Margaret Henke; Reporter, Sue Bumgardner; Chaplain, Charlotte Wetzell; Advisors, Mrs. A. Skarperud and Miss Alice Caulkins.

The Weatherwax chapter of Quill and Scroll, a national honorary society for outstanding high school journalists, consisted of nineteen members this year. Quill and Scroll members must have a "B" average and have done work on a high school publication, either the Quinault or the Ocean Breeze. They are selected by the advisors of the school publications, and the members are announced at the Honor Society Banquet in the spring.

QUINAULT STAFF

The 1963-64 Quinault Staff worked especially hard trying to make for you a book with original concepts.

Last summer all staff members were required to sell ads at various business establishments. This year's staff broke all past sales records in total ads sold which is one of the reasons why it was possible to add the colored section to this book.

The first order of business in the fall was the selection of a theme. This decision involved much discussion before a theme was chosen. This year's theme is "Lights."

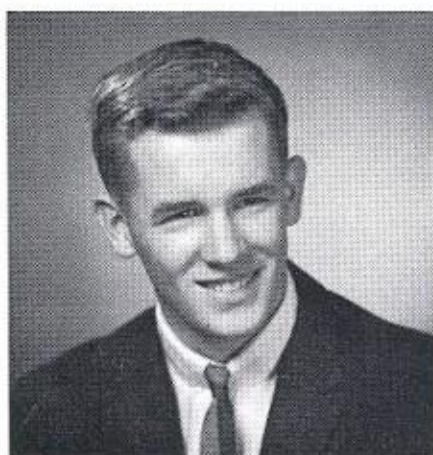

With the theme decided upon, it was then time for the members to begin drawing up dummies for each page. There was also copy to be written, pictures to be taken, the cover to be designed and numerous other details to be taken care of before the pages were ready to be sent to the Yearbook House.

The first deadline was in December and the final deadline was in March. This made it necessary for many of the Quinault members to work on the final pages on their own time, since Quinault is a one-semester class.

The Co-Editors, Lynn Miller and Barbara Bushnell; the staff advisor, Mr. Traxler and all staff members worked equally hard to make this annual the finest yet.

The Ocean Breeze staff of the 1963-64 school year was under the leadership of Co-Editors Ellen Espedal and Steve Yearout. Ellen was promoted from Girls' Sports Editor to fill the vacancy left by Mike Hutton when he was selected as a foreign exchange student in the Netherlands. The staff also had a new advisor, Mr. Phillips, who ably took over his duties and helped to make some improvements in this year's newspapers.

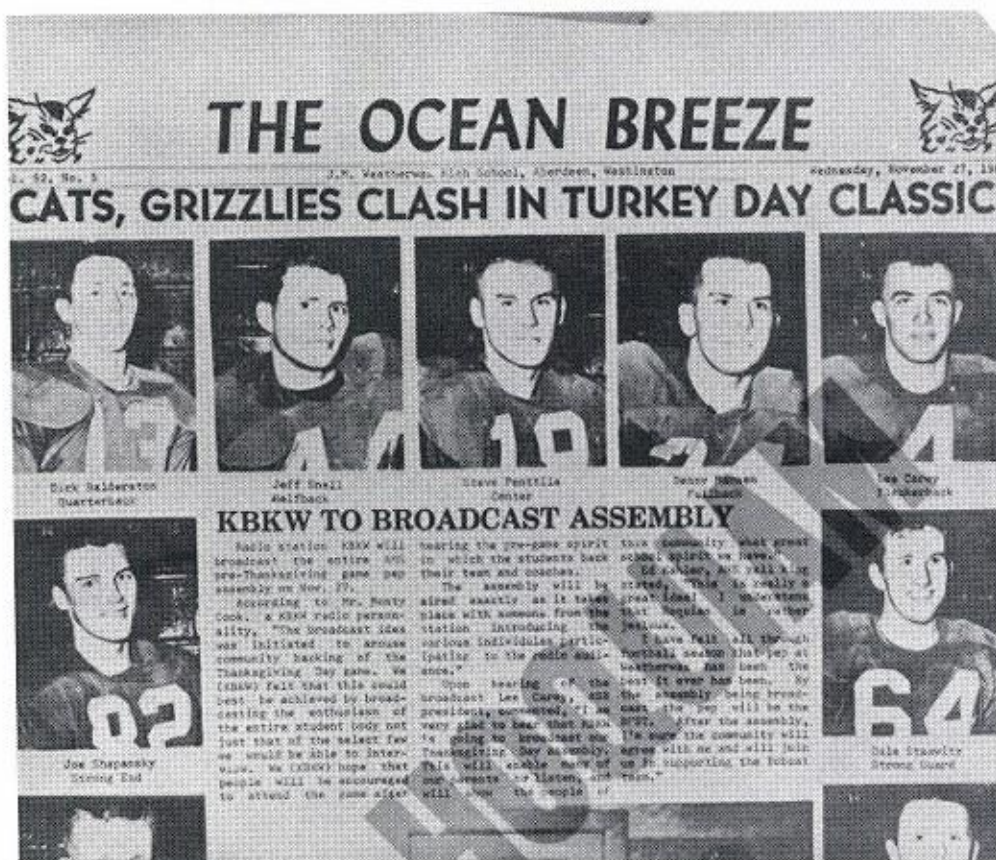

The major change in the publication of the O.B. was in the printing process. Previously, all the preparation of type and the actual printing of the copies was done at a local print shop. However, this year all work except the actual printing was done by the O.B. staff and the printing and typing classes. As a result of this change, the paper has actually realized a small profit. In past years this has not been possible. There are hopes

eventually the sale of ads will cover most of the cost of production and that copies can be sold for a cost of about five cents.

After the Christmas holidays, the Ocean Breeze staff published a booklet which told in sequence how the paper is published from interviewing to the time when the final copy goes to press.

This year the sale of subscriptions was an even bigger success than last year when the first subscription drive took place. Subscription cards were sold for \$1.50 for 16 copies at the beginning of the school year.

Weatherwax students are justly proud of their school newspaper. It reflects the ideas and attitudes of the entire student body. We are grateful to all of those who have helped for their excellent work.

HIGHLIGHTING A.H.S.

Maria Luiza Cavalcante Barroso came to us from the town of Fortaleza, Ceara, Brazil. An American Field Service representative, she has resided at the home of her American family, the John L. McClintocks. Luiza has participated in many activities this year and has enjoyed her American schooling very much. After Christmas she gave many talks to school and community organizations about her country and the culture of her native land.

Luiza, in the past year, has formed many opinions of Weatherwax, Aberdeen, and the United States. The following quotations best express her feelings on these matters. School—"I feel schools in America are better in some ways than in Brazil.

In Weatherwax there are more student activities and you have a wider variety of subjects to choose from. In Brazil you have to take only certain subjects with very little choice." Aberdeen—"I love this city and I hope to return some day." United States—"The United States is really a free country. Before I came here I had a completely different idea. I knew this country was a good place to live but I did not believe it could be this wonderful."

"I shall always be grateful for having had the opportunity of living in Aberdeen."

Every summer Washington State University offers a summer camp for high school students who are interested in certain fields. Last summer nine Aberdeen High School students attended. They were Kathi Davis, Jean Waddell, Mary Cathern Scott, Sharon Moore, Carla Haines, Pat Schafer, Mary Scott, Bill McCaw and Bill Hardy.

The music camp lasted for four weeks. It was run somewhat like a college. The students lived in dorms and had a major, which in case of the Aberdeen students was music. They filled up the remaining time with various other subjects.

Lee Carey and Jan McCrimmon attended a leadership camp at Seabeck, August 18-23. They felt it was a rewarding experience to meet so many people and to learn ways to improve student government. Ideas brought home to A.H.S. were on how to organize committees, how to broach ideas to fellow students, and how to solve common problems by learning from another school's experiences.

Four Weatherwax students traveled to Western Washington State College this summer to attend a music camp. Denise Ekar, Nancy Druzianich, Liz Nemnich, and Gretchen Schmidt were the girls selected from Aberdeen to participate with forty-three other outstanding musicians from Washington. They felt it was a great experience to attend such a camp and to play in the orchestra.

SUMMER ACTIVITIES

Mike Hutton, who was chosen as a foreign exchange student to Holland, left his home in Aberdeen on June 21, 1963. He boarded an ocean liner on June 26 and arrived in Naarden Holland on July 8.

He went to school at the Willem de Zwigger Lyceum in Bussem, a small town near Naarden. The subjects were numerous. They included Dutch, Latin, German, English, algebra, geometry, physics, chemistry, biology, history, geography, P.E. and religious history.

Mike also gained much knowledge from his experience in Holland, and he'll remember them throughout his lifetime.

During the summer, Pat McAllister spent two months in Finland as an American Field Service student. Staying with Mr. and Mrs. Siltala and their teen-age daughter, Helena, Pat saw much of the country and people. She had the rare opportunity to compare the social, educational, and family aspects of American life with life abroad. Surprisingly enough, she found the two to be quite similar in many respects.

She returned to the States after two months. Throughout the school year she has given many talks and has shown films of her trip, sharing her experience with her community and friends.

Students chosen from among last year's Juniors attended Girls' and Boys' State at Western Washington State College and Pacific Lutheran University, respectively, for orientation in government.

The delegates to Girls' State were: Barbara Bushnell, Cathy Gibbins and Donna Luedecker. The boys representing Weatherwax at Boys' State were: Ed Estes, John Green, Pat Salmon, Bob Jensen, Roger Lauckhart, Paul Heikila, Larry Goldberg, Larry House, Bob Butler, Mike McKean, Doug McMinds, Walt McAloney and Steve Yearout.

Pamela Turk attended the National High School Institute in Speech at Northwestern University in Chicago last summer. Admittance to the Institute is granted on a highly selective basis. One hundred and one students from over forty states were enrolled in the drama division. In competition, Pam was one of those chosen to be in a final director's project and was given a supporting role in one of the five plays.

Marcia Gauntlett was Weatherwax High School's delegate to the song queen school held on the Central Washington State College campus in Ellensburg. It was a three-day session from July 15-18. She attended classes there and learned some new yells to bring back to Aberdeen. She found it to be a very rewarding experience.

FORENSICS

The Forensics Squad, under the watchful eye of Miss Fikar, the advisor, meets every two weeks. During the past year, its members have participated in both prepared and extemporaneous debates after much research on the part of those involved. This year's Forensics Squad has also been the recipient of a number of awards.

DRAMA

The Weatherwax dramatics department enjoyed an unusually successful year under the guidance of Mr. Donald Emerson. THE DOLLAR and SISTERS McINTOSH, two one-act plays, were thoroughly enjoyed by all who witnessed them. THE DIARY OF ANN FRANK will long be remembered for the polished portrayals by the members of the cast. In LIZZIE BORDEN, Pam Turk won the Best Actress Award in the Grays Harbor Play Festival and an outstanding performance by the whole cast won the Best Play Award for Weatherwax.

The Weatherwax High School choir opened their season of performances with the Christmas Concert. The 65-voice choir then performed for their annual Swing and Spring concerts and also for various service groups.

This year the dance band, the drama students and the choir combined to make an outstanding high school musical entitled "Plenty of Money." It is hoped that it will be carried on in future years.

Projects were being made in the hope that enough money could be earned to buy choir accessories so that performances could be made wearing the school colors.

LIGHTING UP OUR CULTURAL LIFE

Under the direction of Mr. J. Gordon Edlund, the orchestra performed extremely well this past year. Rehearsals began last August for the annual performance at the Western Washington Fair in Puyallup. After school started, rehearsals were held every Tuesday evening. This was the only time the full orchestra was able to practice together for the many concerts given throughout the year.

Orchestra officers this year were: President, Jean Waddell; Vice-President, Pauline Buchman; Secretary-Treasurer, Mary Cathern Scott; senior representative, Trisha Fogde; junior representative, Denise Ekar; sophomore representative, Julia Cole; librarian, Mary Cathern Scott; and Manager, Bob Bold.

BAND

Weatherwax has always had an outstanding band and this year was no exception. The band's performances have thrilled everyone who has heard them. Its performances at pep assemblies and at games added to the spirit of the whole student body. The band marched at half-time, too, and nothing was more thrilling than the sight of the blue and gold uniformed musicians marching in unison on the football field.

An exciting event for the band this year, was a special concert, featuring trumpet virtuoso, Raphael Mendez. Profits from the performance helped to pay the cost of the new band uniforms. The band also sold Almond Roca Candy for the past two years to cover the cost of the new uniforms.

Under the direction of Mr. Hampton R. Wines, a skilled musician himself, the Weatherwax band is an organization of which the students will always be proud.

The Bobcats captured second place in the Southwest Washington Conference this year. In his first year as head coach of the Bobcats, Al Eklund did a great job.

A big help to Coach Eklund was his fine line of assistant coaches. Coach Dewey Van Dinter, Coach Dick Dixon, and Coach Stewart White all did terrific jobs in aiding Coach Eklund.

Another big help was the fine line of Senior football players. These twenty-two Seniors helped the team to win second place with their outstanding leadership qualities. The Senior starters were: Luther (Moose) Brownrigg, Gordon Gibbs, Paul Heiney, Paul Heikkila, Dale Stamwitz, Steve Penttila, Dick Balderston, Lee Carey, Jeff Snell, and Jim Due. Other Seniors

who gave the starters strong competition were: Rich Killebrew, Rick Hoonan, Tim Taft, George Nelson, Jim D. Smith, Terry Timmons, Don Rhoton, Bob Ollikainen, Laron House, Clyde Fortney, Jim Dunning, and Lee Davis. Paul Heiny, a starting guard, won unanimous all-conference ratings.

With all these factors working together, our Bobcat team couldn't help but be great, and they were.

At the annual award assembly held in December, Paul Heiny and Dick Balderston were recipients of the Co-Captains awards; Steve Penttila won the Coaches award; Lee Carey won the George Savage award; Paul Heiny won the John Mashin award; and Dick Balderston was awarded the Perry Clark award.

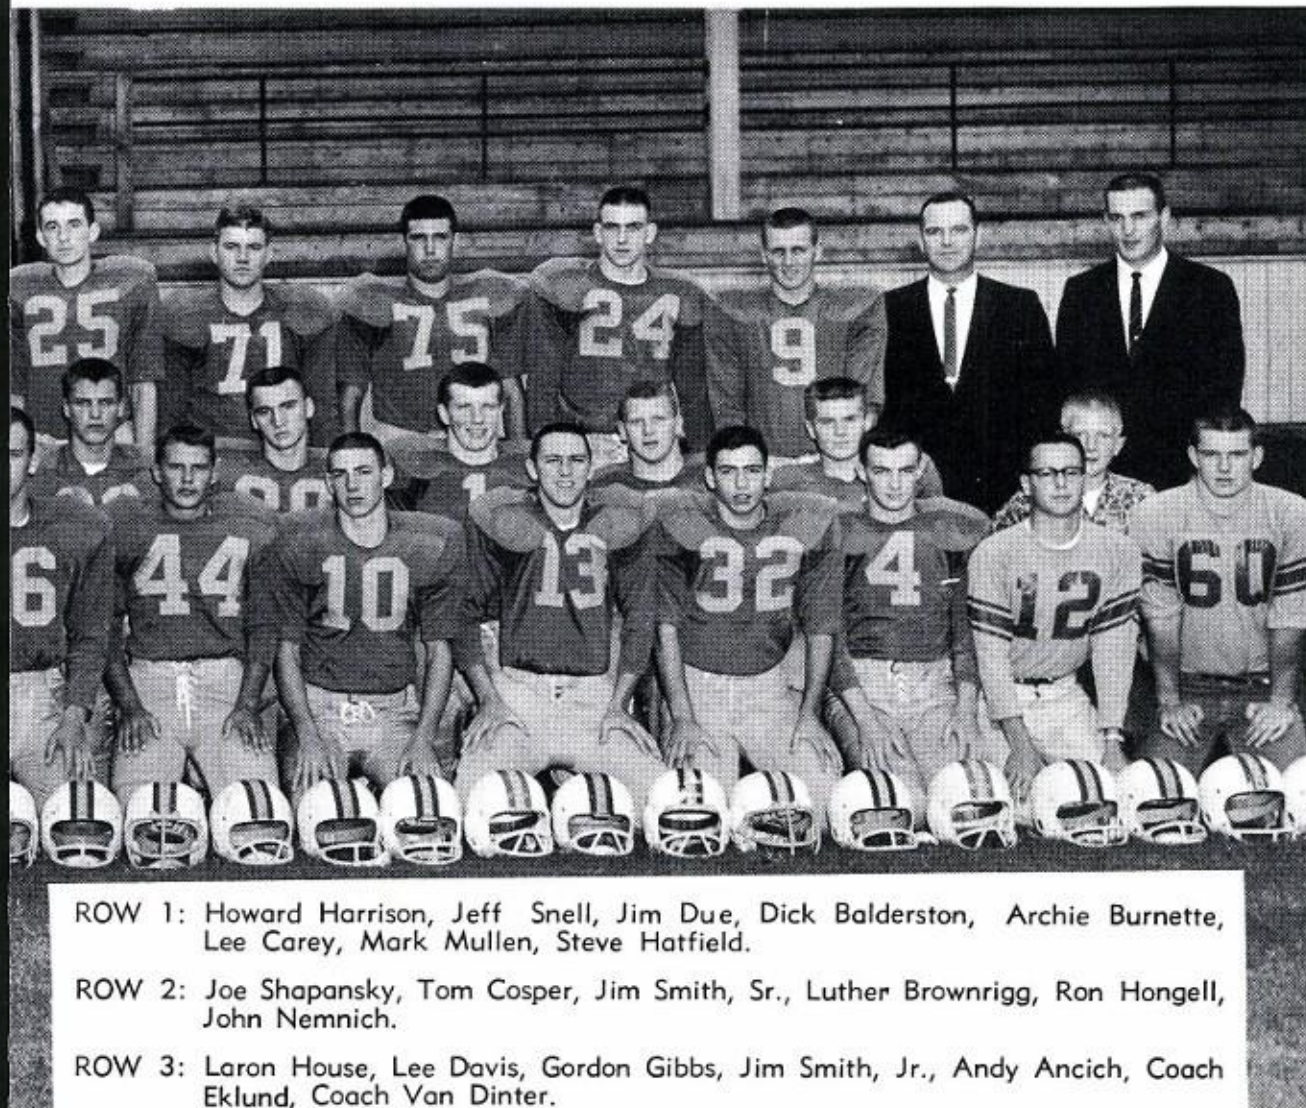

The Student Body was behind this great Bobcat team all the way. The student pep was outstanding throughout the year. Many students followed the team even when the games were out of town. Nine rooter buses were taken to Olympia.

The Student Body was very proud of the team and their record.

Aberdeen High School may be proud of its "B" squad as well as its varsity team. At the completion of the 1963-64 season, the "B" squad had compiled a 6 win, 0 loss, 1 tie record, bringing the total to 30 wins in five years.

The 47-member squad was coached ably by Mr. Richard Dixon and Mr. Stuart White. They have done a superb job of training these boys and moulding them into a group with stamina, ability, and sportsmanship.

All of these boys contributed to the success of the season, and all deserve credit for a fine effort to promote the good will of the school to the various towns and cities in which they played.

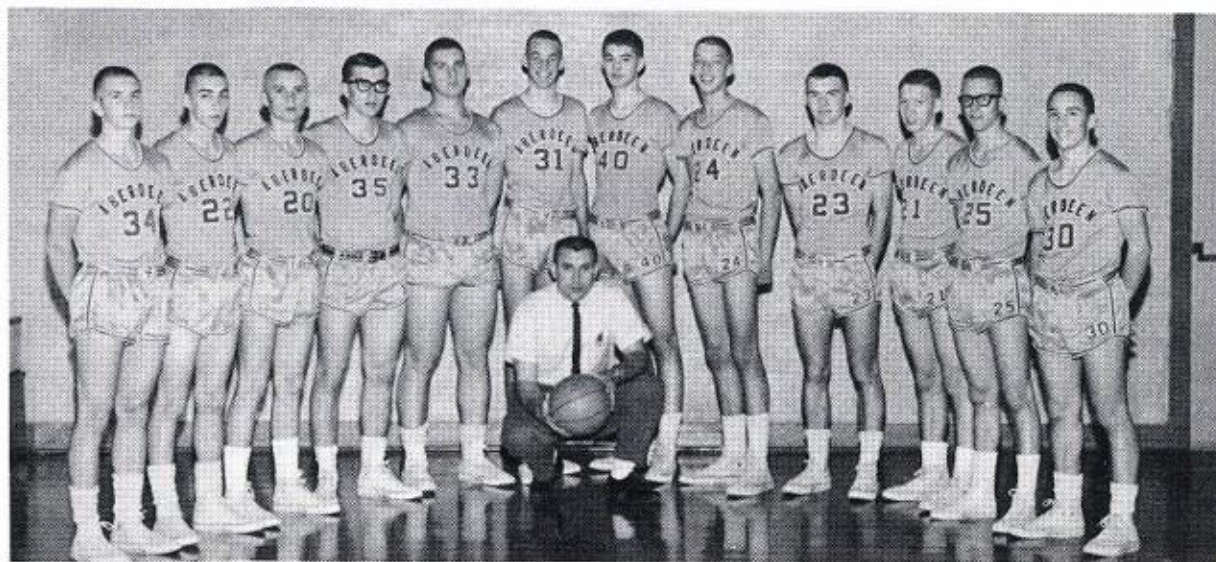

The "B" squad tallied a total of 101 points to their opponents 32. The average for the season for the J.V.'s came to 15 points per game while they held their opponents down to 5.

Due to the fine performance of the Junior Varsity this year, many of the boys will be advanced to the varsity squad. They will prove to be a valuable asset to the varsity because of the experience gained in "B" squad football.

This year's Aberdeen junior varsity basketball team was under the leadership of Mr. Dixon. We feel that Coach Dixon did a tremendous job with the junior varsity.

The boys tied for first place in the Northern Division Conference, winning seventeen of their games and losing only three. They scored exceptionally well with a total of twelve hundred and forty-four points for the entire season, while their opponents scored only nine hundred and thirteen points against them. Their average for each game was sixty-two points, compared to their opponents average of forty-six points per game.

One of the highlights of the season was their game with Columbia River where our junior varsity scored one hundred and five points.

Their success was derived from a well-balanced team. They worked together well and there was no one individual star. With nine sophomores and three juniors, the team has produced many fine prospects for Aberdeen's varsity squad.

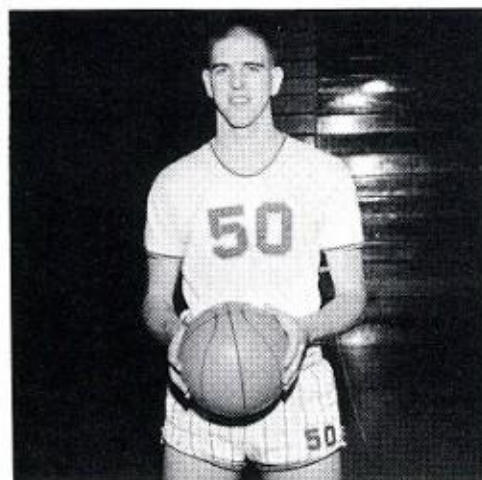

Congratulations for a fine season of basketball and good luck next year.

VARSITY BASKETBALL

In keeping up with the high standards of basketball that Aberdeen has enjoyed for many years, the 1963-64 Bobcats did an outstanding job. The team never gave up and was fighting for the student body at all times.

The varsity squad consisted of seven seniors and four juniors. The seniors were Paul Ross, Steve Penttila, Don Yakovich, John Vlastelica, Ed Flemming, Terry Timmons, and Jeff Snell. The juniors were: Chuck Sipila, Herb Godfrey, Frank Childers, and Harold Delia.

Individually, Don Yakovich was high point man for the season with 311 points. Following him were John Vlastelica, 267; Paul Ross, 136; Steve Penttila, 109; Chuck Sipila, 95; Ed Flemming, 61; Terry Timmons, 67; and Jeff Snell, 50. Herb Godfrey, Frank Childers, and Harold Delia all scored some important points.

The total season league record for the Bobcats was a respectable 10 wins — 7 loss record. Two outstanding games were those with Hudson Bay and Hoquiam. The Hudson Bay Eagles were upset by the Bobcats by one point. The Eagles had been rated first in the state. The last game of the year with Hoquiam was close all the way with the Bobcats winning 61 to 59.

It was a fine season for the Bobcats and Coach Savitz — a season that everybody in the Aberdeen student body was proud of.

The Bobcat wrestlers of Coach Dewey Van Dinter finished the regular season with a five and six win-loss record, placing fourth in the league standing. At the sub-district Aberdeen was represented by one wrestler in each of the twelve weight classes. These boys and their weight classes were: Nolan Burslie 109-lbs., Rich Webber 115-lbs., Ray Chouinard 123-lbs., Don Rhoton 130-lbs., Greg Taylor 136-lbs., Ron Welch 141-lbs., Robin Turley 148-lbs., Joe Shapansky 157-lbs., Bill Messmer 168-lbs., Paul Heiny 178-lbs., Scott Godfrey 194-lbs., Dennis Marxen, heavy. Ray Chouinard replaced Gary Fehrenbach, who was injured one week before the tournament.

Paul Heiny was voted the team captain and Don Rhoton won

the Outstanding Wrestler Award. Scott Godfrey received the Coaches Award for his competition in the past three years.

The junior varsity had a very successful year. Their season included nine wins and two losses. Outstanding wrestlers for Coach John Madson were Conrad Ibabao, Larry Sundstrom, Bob Johnson, and Kurt Jorgensen. Many of the boys who wrestled for Coach Madson earned varsity letters this year and will be back again next year. These were Ladd Dooley, Brad Taylor, Dennis McAllister, Tim Wines, Don Brule, and Ray Chouinard.

Gordon Godfrey and Gary Fehrenbach were injured during the season, but both will be back next year.

The following wrestlers advanced from the sub-district to the district tournament in Kelso: Don Rhoton 130-lbs., Champion sub-district; Bill Messmer 168-lbs., second sub-district; Paul Heiny 178-lbs., Champion sub-district; Denny Marxen, heavy, second sub-district; Scott Godfrey 194-lbs., fourth sub-district. The Bobcats finished their season there with Scott Godfrey taking third place, and Don Rhoton taking fourth place in their respective weight classes. The Bobcats finished ninth in the district tournament out of a field of nineteen schools. In the sub-district they finished third among twelve schools.

ROW 1: Coach Eklund, George Gauntlett, Bruce Kolts, Don Yakovich, Larry Lind, Rick Hoonan, Bruce Prezler.

Coach Eklund.

Coach Al Eklund's tennis team came through again in 1964 with a great season. They did an outstanding job as representatives of our school.

There were six returning lettermen in 1964 who helped give the team a great amount of power. They were Don Yakovich, Larry Lind, Bruce Prezler, George Gauntlett, Bruce Kolts, and Rick Hoonan.

The team also left a few lettermen to help supply next year's team with the fine qualities that the team has always possessed.

up 39½ points to win.

Due to the fact that the **Quinault** goes to press before the completion of track season, we felt that the 1963 team should receive recognition as winners of the 1963 state championship. With a majority of returning lettermen from the 1963 champs, it is the staff's hope that the 1965 **Quinault** will also be able to feature headlines such as these.

TRACK

ROW 1: Coach Denger, Greg Taylor, Gary Lorenzon, Don Rhoton, John Easter, Herb Godfrey, Lee Carey, Steve Yearout, Jim Cobain, Coach Bivens. ROW 2: Larry LaBrec, George Nelson, Dale Stamwitz, Howard Harrison, Mark Wilson, Manager Rick Silvan. ROW 3: Chuck Sipila, Denny Marxen, Paul Ross, Jim Due, Joe Parker, Jim Boora, Larry Dittman.

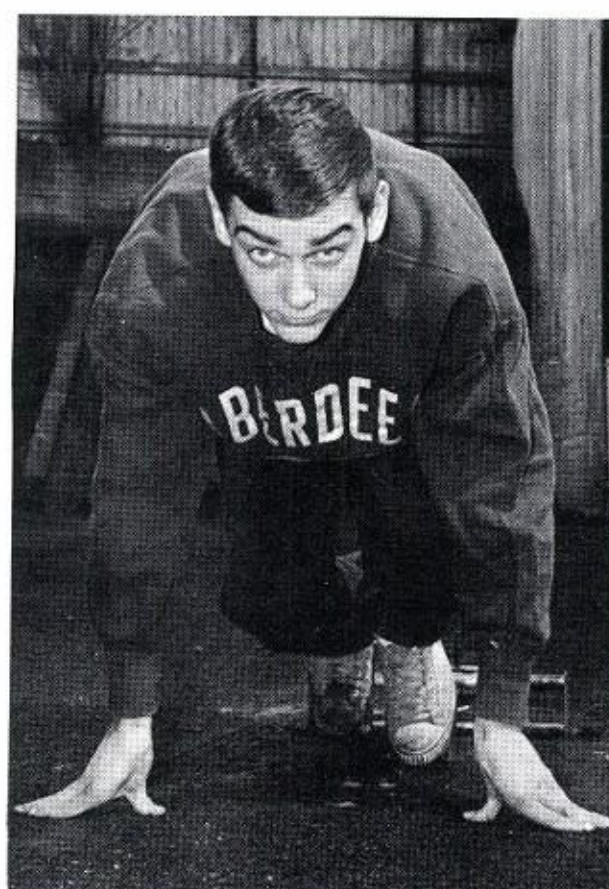

Coach Al Bivens enjoyed another outstanding year in 1964. He had approximately twenty returning lettermen to round out his team.

Three boys who helped win the 1963 state championship were back again. They were John Easter, 100, 220, and 880 relay; Jim Boora, 440, and 880 relay; and Paul Ross, high jump.

This year's top men were John Easter, Lee Carey, and Jim Boora in the sprints and 440; Don Rhoton and Steve Yearout in the distance runs; Jim Due on the hurdles; and several good vaulters—Herb Godfrey, Chuck Sipila, and Larry LaBrec.

ROW 1: Les Funk, Tom Wright, Ron Murphy, Bob Kivi, Rich Lauckhart, Jim Frary, Fred Goheen, Laddy Kite, Jim Messmer. ROW 2: Ed Dahlstrom, Kim Doutrich, Roger Lauckhart, Rich Walloch, Bill Russell, Steve Beck, Pete Berken, Ray Smith, Robert Harrell.

The swimming team, under the direction of Coach Leonard Lawr, had an outstanding year with eleven wins and only four losses. Eighteen of the twenty-eight members on the team earned letters.

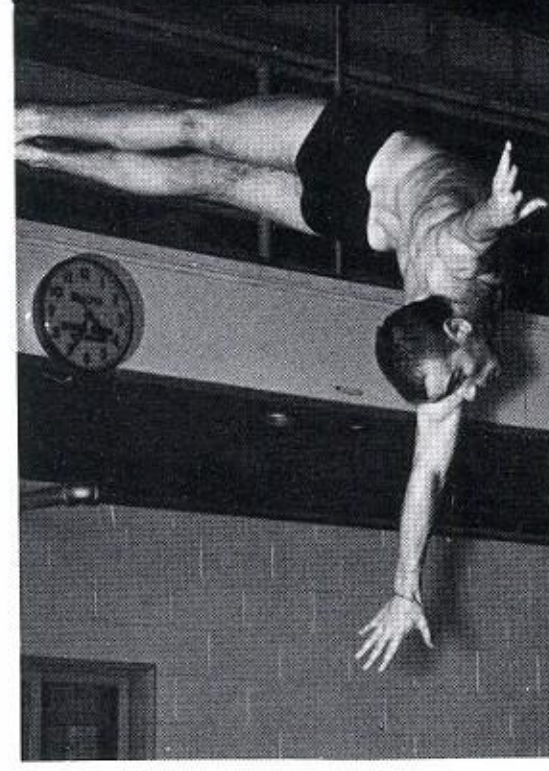

Those qualifying for the State Meet were: Co-Captain Bob Butler, 100 free style; Co-Captain Steve Walker, 100 breast stroke; Ed Dahlstrom, 100 backstroke; Les Funk, diving; Tom Marrs, 50 free style and 100 free style; Bruce Kolts, 100 butterfly and 200 individual medley; Ron Murphy, 400 free style; Tom Wright, 400 free style; Rich Walloch, 100 breast stroke; and Kim Doutrich, diving.

The following new records were set this year: the 200 medley relay from 1:55.2 to 1:49.6 by Dahlstrom, Walloch, Kolts, and Rupert; the 400 medley relay from 5:11.0 to 4:39.2 by Dahlstrom, Walker, Kivi, and Murphy; the 200 individual medley from 2:35.3 to 2:28.2 by Rupert; the 200 free style relay from 1:40.0 to 1:36.6 by Butler, Kolts, Marrs and Rupert; the 400 free style relay from 4:10.0 to 3:59.0 by Wright, Murphy, Butler and Marrs; the 50 free style from 0:24.5 to 0:24.3 by Rupert; the 200 free style from 2:08.4 to 2:07.9 by Rupert; the 100 butterfly from 1:03.1 to 1:01.1 by Folts; and the 100 breast stroke from 1:12.1 to 1:11.3 by Walloch.

Aberdeen placed sixth in the State Meet with nineteen points. The 200 medley team and the 200 free style relay teams each placed third. Les Funk finished fourth in the diving.

BASEBALL

BASEBALL SCHEDULE

Coach Stuart White, in his first year as head coach, did an outstanding job with the team. To help him this year he had seven returning lettermen from last year's Northern Division Championship team. They were: Dick Balderston, senior, catcher; Moose (Luther) Brownrigg, senior, right field; Terry Timmons, senior, pitcher; Glen Gudaz, junior, catcher; Frank Childers, junior, first base; Mike Thompson, junior, second base; Tom Cosper, junior, shortstop; and Mike Aleksey, junior, pitcher.

The team was plagued by injuries. Terry Timmons was out most of the season with an injury sustained during basketball season.

100 Mile Club

ROW 1: Coach Bivens, Bob Caldwell, Jim Kainber, Paul Olsen.

The Hundred-Mile Club is for boys who enjoy staying in good physical condition. The boys run every night after school. Each member starts out to run 100 miles. When he reaches the 100-mile mark, he receives a gold, 100-Mile Club sweatshirt. Paul Olsen, Jim Kainber, Tom Gibbs and Bob Caldwell each recorded the 100-mile mark this year. From this point, the boys continue toward the 200-mile mark. The first to reach 200 miles receives a trophy. This year the trophy was awarded to the co-winners, Jim Kainber and Bob Caldwell.

Rifle Team

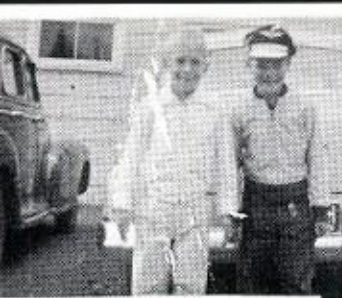

This year's Aberdeen Rifle Team enjoyed a very successful season under Coaches Billy Sullivent and William Tomeitch. The team competed in monthly postal matches in which the scores are sent to Washington, D. C., for nation ranking. For the month of November the team shot a score of 395 out of a possible 400, placing them eighth in the nation.

The team, consisting of co-captains Mike Emard and Eugene Bowman, and Larry Watson, Ray Loftis, and Jim Riemann, also participates in traveling competition. In February the team traveled to Point Defiance Park in Tacoma. Emard won a second and third place and Bowman took a third place medal in individual shoots. The team finished third in the western district in the Expert Team classification. They were also scheduled to compete in Seattle in March, and in May, traveled to the state outdoor meet in Wenatchee.

Coach Sullivent has high hopes for next year, since the entire team will be returning. He expressed his pride in this year's team when he said, "It takes a well trained and well-disciplined marksman to do shooting of this caliber."

RIFLE CLUB: Jim Riemann, Larry Watson, Mike Emard, Mr. Sullivent, Gene Bowman, Ray Loftis.

The **Quinault** staff and the student body wishes to gratefully acknowledge the support of the advertisers. Without their support, our annual would be of lesser quality and more expensive to the individual student. We hope that students and graduates will, in turn, patronize our advertisers.

We sincerely appreciate the services of Aberdeen photographers—Les's, Jones, and Mulkey Studios—and many other persons who have assisted us throughout the year.
